

## The Name Recognition Lure

### Lesson #17

We receive our name at Baptism; it is for all eternity. Nothing is as personal. Even though others may share it, how we spell it, how we pronounce our name is very important to us. Just mispronounce someone's name or spell it with a 'y' rather than 'ie' and we find out just how important!

Often, our name comes from an ancestor. The children can be invited to share what they know about the person they were named after. Have they any family stories about that person? Do they have a saint's name? What do they know about the saint?
