

# Summer in the City @ Vineland or The Shore

**Diocese of Camden: Youth, Young Adult & Campus Ministries**

The Summer in the City Program is a week-long immersion project where the participant is given the opportunity to live and work the gospel of service and social justice through the gift of self. The combination of service at multiple work sites and reflection sessions gives young people the chance to use their talents and abilities to help their neighbor, and increase their awareness and understanding of the importance of the rights and dignity of the human person.

The service agencies have included day care centers, housing rehabilitation sites, soup kitchens, food pantries, community farming programs and senior care centers among others. These service sites will be established and assigned before the program week begins.

- Open to high school students from graduating classes 2015—2018
- Registration on a first-come, first served basis—limited to 40 participants
- Registration fee \$125 covers, meals, lodging and program materials
- Registration form on the back of the form
- This experience may be used for service hours at your high school.
